

13 August 2024

Hello,

The Carpenter's Apprentice (TCA), which is a non profit Christian based group, serves members of this community that need to have repairs made to their home. These repairs are the type that are necessary for increasing the level of safety and make the home more habitable. The residents need to be unable to afford to hire contractors to perform these repairs. This group is comprised of folks who are members of three churches in the Irwin/North Huntingdon area and one in Penn Twp.

The Carpenter's Apprentice will be holding a Fall Fix-up on **October 11-13 2024**. We are soliciting volunteers who will be able to donate some time and talent towards some of the projects for that weekend. These volunteers do not need to be experts in any specific area but have the desire to help others in our community. There will be team leaders assigned to these projects who will guide the work. Again, in anticipation of many projects for this event, we are looking for volunteers to lend a helping hand. Volunteers who do have experience in certain types of work are very much welcome and needed. You **DO NOT** need to be a member of these churches nor a member of TCA.

We are also looking to members of our community, Churches and Pastors to refer needy homeowners to us. Any referral will be contacted and a Site Surveyor will be assigned to speak with the homeowner and determine their needs and decide if it fits into our abilities. A financial needs assessment will also be conducted by the Site Surveyor.

So How can I/We help? If you are willing to be a volunteer OR you know someone who needs necessary work/maintenance on their home, please:

Submit the appropriate volunteer/project form on our website: www.TheCarpentersApprentice.org

OR

Email any and all pertinent information to : help@TheCarpentersApprentice.org
